Brinquedo: Sol e Chuva

Atividade:

1. Represente no chão
este quadro:

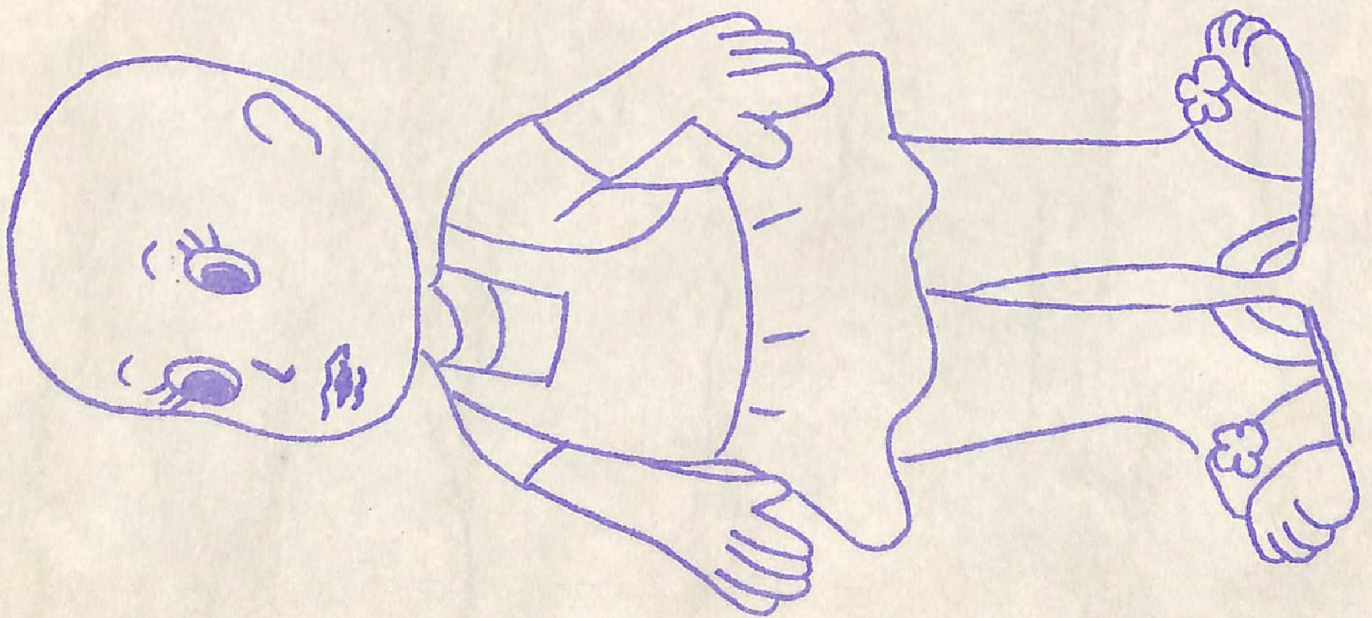

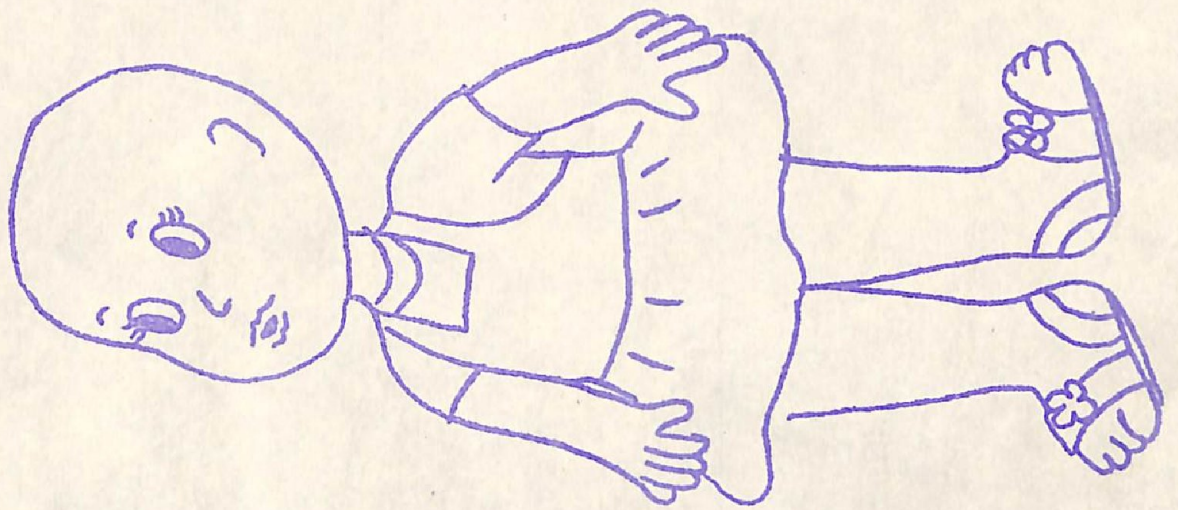

2. Realizam o brinquedo Sol e Chuva: cada figura do quadro representa uma casinha de formiga. Quando sai o sol* as formigas saem da casinha em busca de alimentos. Quando a chuva* cai as formigas se abrigam na casinha mais próxima, mas só podem entrar numa casinha que tenha a mesma forma da casinha que se pensam antes.

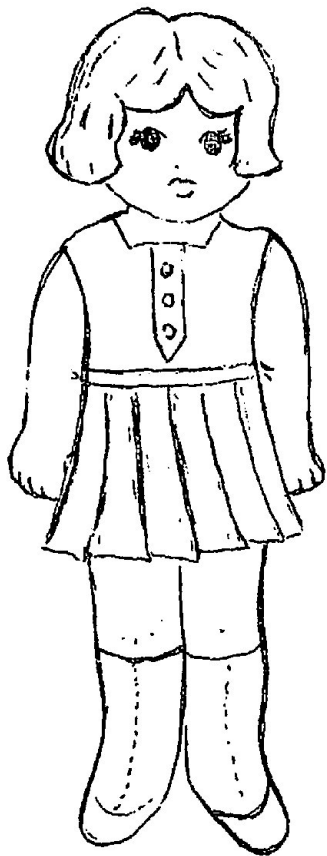

3. Busca uma forma de indicar no quadro todas as possíveis paradas realizadas por cada uma das formigas.
